ABOUT

BUSINESS MEDIA GROUP

Established in 2003, The Business Link has transformed into becoming a leading expert within the publication landscape and business development.

During these past 20 years we faced our share of challenges. Our first big challenge, after much research was our decision to move our print publication online. It presented its own learning curve, but allowed us to reach a larger audience.

Then the infamous 2020 pandemic lockdown brought challenges many of us have never witnessed. It forced us to adapt and persevere, making decisions about our services. But there was gleamer of hope during this time, a new unforeseen technology was emerging, one that shows promise to change how we interact and engage with each other.

Business Link Media Group has pioneered in navigating the ever-evolving landscape of modern marketing. Elevating our reach, influence, and effectiveness of business marketing, outreach, and representation across traditional and cutting-edge Web 3.0 platforms. Our mission is to empower businesses through this new evolution of advertising and marketing. As devoted community builders, we have fostered deep connections in the Niagara Region and are currently expanding our digital presence to create new and exciting opportunities. While serving a global community, we are dedicated to collaborating with and giving back to our cherished home region of Niagara, Canada.

An exceptional example of our collaborative efforts is the celebrated '**40 Under Forty Business Achievement Awards**', an annual event that proudly marks its *20th year* in 2023. An event highlighting young talent in Niagara.

Through our diverse media platforms, which encompass digital publications, event marketing, virtual landscapes, and much more, we have facilitated meaningful connections and provided comprehensive solutions to amplify our clients' message and impact.

At Business Link Media Group, we are driven by our commitment to equip our clients with the essential resources, strategic messaging, and innovative solutions to not only reach their target audience but to make a significant and lasting impression.

We hope you join us as we shape the future of business in an increasingly interconnected world.
